

Help Us Get a Grant!

We're applying for a Community Development Block Grant (CDBG) to fund crucial improvements to our water system, and **we need your help** to get it.

Box Elder County Commissioner, Lee Perry, is sponsoring this project.

Here are **three ways** you can participate and help our community secure this funding:

1. Tell Us Your Top Priority

Your opinion is a critical part of our application.

Please tell us what you believe is the single most important project or need for RNG Water to complete.

Comments must be received by November 14th, 2025

Ways to Return:

- Drop Box at RNG office 15445 N 5400 W, Riverside, UT 84334 (next to the post office)
- Mail to P.O. Box 88, Riverside, UT 84334
- Scan QR Code or [click here](#) to submit response online with our survey form

2. Attend the Public Hearing

A public hearing will be held by the Box Elder County Commission to gather public input for this grant. You will have a chance to make a short comment about why RNG should be given the grant.

Meeting will be held Wednesday, November 19th, 2025 at 1:00PM in the Commission Chambers at:
01 South Main Street, Brigham City, Utah 84302 Brigham City, UT 84302

3. Watch for a Survey at your Residence

In November, a short survey from BRAG (Bear River Association of Government) will be delivered to approximately 25% of addresses. **This survey is vital for the grant as it collects necessary demographic data** (income, number of families, age, etc.).

* The survey will be delivered in person and must be completed and returned to the individual delivering it.

* Do NOT put your name or address on the survey.

* For Multiple Families: If more than one family lives in your house, each family must fill out a separate survey.

Thank you for taking the time to share your input and help support our grant efforts!
